

# Photoshop Courses Available

## Beginning Photoshop \$150

September 8, 10, 15, & 17, 2009 (Tues & Thurs)

6:30 pm - 9:30 pm

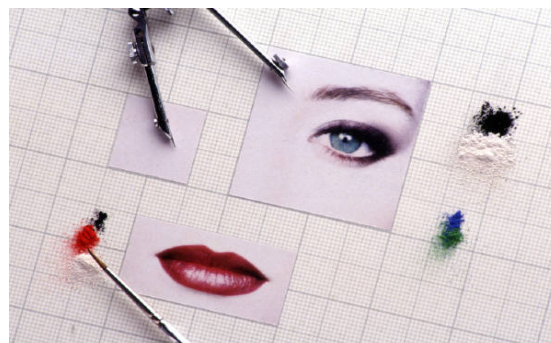

During this class you will learn the basics of Photoshop. The class begins by explaining the basic navigation tools available in Photoshop. It will be hands on and will include several tutorials on how to sharpen photos, adjust color of photos, heal photos to remove blemishes or artifacts from the image, work with layers and other basic editing techniques. Other topics include, color swatches, color picker, resizing image, merging layers and file organization. The class will be instructed at the pace of the students and will be open for questions and answers.

## Intermediate Photoshop \$115

September 29, October 1 & 6 (Tues & Thurs)

6:30 pm - 9:30pm

In this class, you will learn intermediate level Photoshop commands, and it is for those familiar with Basic Photoshop but wanting to learn more specific details for use. The class will teach you to hone in your skills for dealing with print media and photography. You will work with various mediums and will be asked to bring in your own ideas for work.

## Advanced Photoshop \$115

October 20, 22, & 27 (Tues & Thurs)

6:30 pm - 9:30pm

Advanced Photoshop is a specialized class for those who have experience using Photoshop. Classwork will focus on advanced techniques in photo-editing, composite photography and graphic design. Additional focus will include a deeper understanding of the different tools and palettes and how to use selections, masks, layers and filters to achieve desired effects. General graphic design techniques and instructions on preparing files for professional printing will also be discussed.

*Jonathan Dye is HGTC's Photoshop Instructor. He is the Creative Director for the Courier-Herald where he works primarily on front page layout and design. Jonathan graduated from the University of Georgia in 2003 and has been using Photoshop for nearly a decade.*
