Are you searching for speakers to add education and/or entertainment to your organization's next program?

The Heart of Georgia Technical College can provide speakers to give professional presentations tailored to fit your audience and time frame. Listed in this brochure are some of the programs offered at HGTC. Speakers can present a topic relative to their area of expertise. If desired, we can also provide speakers to give information on admissions, financial aid, and career paths at HGTC. The President of the college is available to present "A State of the College" address.

To discuss your needs or to schedule a presentation with a speaker, please contact Jenny Shuman, director of marketing, at 478-296-6117.

We look forward to serving you!
